

Swiss Military Aviation Authority

APPROVAL CERTIFICATE

Number **CHEMAA.MPO.015**

The Swiss Military Aviation Authority (CHEMAA) certifies

Sabena technics BOD

19 rue Marcel Issartier, 33700 Mérignac, France

as a Military Production Organization

approved according to the Directive of the National Armaments Director
on the certification process for military aeronautical systems (60186/02)

Conditions:

1. The approval is based on the review of the PO manual SNT-BOD-MOP, ed 2, amdt 15, established for EASA and which processes are applicable for the approval by EASA of the parts required for the Bombardier Global 7500.
2. The approval is limited to the scope of production of parts for the Bombardier Global 7500 acquisition program and valid until the parts produced for the Swiss Air Force have been accepted.
3. MPO obligations for continued and continuing airworthiness of the parts during operational service shall be ensured through arrangements with the applicable MDOs.

For the MAA Certification Office,
